Dear Parents / Carers,

### **Re: Support your child's future and enhance your own!**

We are delighted to inform you that our sponsor Dudley College of Technology have an exciting proposal for parents and carers of our Trust learners.

Do you have the:

- **Desire** to support your child throughout their GCSE studies?
- **Aspiration** to achieve your own GCSE qualification and reach your true potential?
- **Confidence** to take the first step and enhance your own career opportunities?

While your child is attending secondary school and studying GCSE English, it could be the right time for you to do the same. Our sponsor, Dudley College of Technology is offering a **free GCSE English course for all parents and carers** of Dudley Academy Trust learners.

It may be a while since you were at school, and you may even be fearful if you found school difficult first time around, but don't worry! Dudley College of Technology lecturers have many years of experience in helping adults to start learning again and gain a qualification.

You don't have to decide straight away; there's a four-week introductory course which will enable you to get a feel for the work and get to know the other parents and carers in the class. At the end of four weeks, you'll know whether enrolling on the GCSE course is right for you.

We have various ways in which you can discover more about this offer. Please see below for details.
